Fitness Class Descriptions

BARRELATTES: A fusion of Barre and Mat Pilates that will elongate your muscles, giving you a strength endurance workout without utilizing heavy weights.

CYCLE STRENGTH: Half on & half off the bike intervals including upper and lower body strength and endurance.

MAT PILATES: Strengthen, lengthen, align and tone your body by focusing on body weight floor exercises based on the Pilates Method.

REFORMER PILATES: Build on core awareness and strength, while integrating fluidity, breath, centering and spinal alignment.

SILVER FIT: Chair-based fitness class with focus on weightless joint mobility and muscle activation. Ideal for senior members looking to improve flexibility, strength, and balance.

SWEAT: This high-intensity workout uses unique moves to develop core strength and power. Ideal for weight loss and muscle toning. You will leave this class feeling invigorated and energized.

TRX: An outdoor strength and conditioning class using TRX suspension trainers, kettlebells, and other functional training tools.

VINYASA YOGA: A more challenging discipline that unifies breath and movement creating a continuous flow from one pose to the next. This class will build stability/balance, strength, work the cardiovascular system and stretch the body.
