Islande Dillon ~ Tel. (305) 367-5896 ~ Fax (305) 367-5945

Ocean Reef Club Airport ICAO ID 07FA
N 25.19.31 W 80.16.29

Unicom Frequency 122.7

PLEASE LEAVE RADIO ON UNTIL YOU SHUT DOWN

-NO FUEL-

P.A.P.I. slope Runway 04 and 22 - 4 degrees

Runway is lighted until 2000 local time.

Noise abatement procedures are for all aircraft at all times – Left traffic pattern altitude 1,000ft – Downwind offshore – Final Approach for two miles – Departures maintain runway heading for two miles before turning on course – Monitor Unicom at all times – Advise position and intentions on landing, taxi and takeoff.-- Unicom to remain on until engine is shut down.

Hours: 0800 – 2000 Jets

0700 – 2000 All other Aircraft

SUMMER HOURS JUNE 1 TO SEPTEMBER 30

0800 – 1800 ALL AIRCRAFT

Category I and II: Overnight parking only available on the grass.

Category III, IV, and V: Overnight Parking on hard surface, when available.

*Any Cat I and Cat II aircraft requiring ramp parking are subject to Cat III rates.

Weekend Parking: Friday/weekend parking on the ramp will begin at the far south end with the left wing over the grass and all subsequent planes will park as close as possible to the preceding plane (Category III, IV, and V) Category I and II will tie down on grass.

ALL AIRCRAFT MUST PARK 50 FEET FROM RUNWAY

Catering, rental cars and lodging can be provided by Ocean Reef Club – (305) 367 2611

Ocean Reef Club Airport: 201 Ocean Reef Drive, Key Largo, FL 33037

Telephone (305) 367-3690 – Facsimile (305) 367-5958

Ocean Reef Club Airport

NOISE ABATEMENT PROCEDURES: – Runways 04 and 22

- Engine run-ups must be conducted at the end of the runway.
- Make all turns after landing at the far end of the runway.
- **Use of APU on the ground shall not exceed 15 minutes.**
- Position aircraft to keep noise at a minimum.
- Helicopters shall maintain a high altitude with a steep descent and land at the center of the runway using the standard traffic pattern.
- 12 jet operations each day (landing and take-off a separate operation).
- 6 helicopter operations each day (landing and take-off a separate operation) charters excepted.

GENERAL INFORMATION:

- Low passes - **PROHIBITED.**
- Noise levels exceeding 83.1 DBA – **PROHIBITED.**
- Aircraft exceeding 34,000 lb. maximum landing weight – **PROHIBITED.**
- Garret TPE331 powered aircraft – **PROHIBITED.**
- Flight training, including touch-and-go's – **PROHIBITED.**
- The operation of ultra-lights, gliders and the flying of hot air balloons, kites and skydiving on the airport – **PROHIBITED.**

RESERVATIONS MUST BE CANCELLED **24 HOURS** IN ADVANCE TO AVOID A LANDING FEE.

REPEATED VIOLATIONS OF ANY FAA RULE OR REGULATION OR ANY OCEAN REEF CLUB AIRPORT RULE OR REGULATION WILL RESULT IN LOSS OF AIRPORT PRIVILEGES.

PARKING POLICIES:

- Unicom is to remain on until engine is shut down.
- All aircraft must be parked in designated areas at least 50 feet from the runway.
- Category I and II: Overnight parking only available on the grass.
- Category III, IV, and V: Overnight parking on hard surface, when available.
- The few remaining annuals that park on the ramp must move their aircraft each week so as not to interfere with the parking of others.
- Categories I and II using the ramp should be restricted to the north ramp.
- All aircraft parking on the ramp need to notify the staff in advance of landing.
- All pilots staying overnight need to register with the office.

OPERATION POLICIES:

- No pedestrians or ground vehicles, including golf carts or mopeds are allowed within 50 feet of the runway. Bicycles or ball playing are not allowed at all.
- No aircraft is permitted to land anywhere in the community other than at the airport.
- No new jet helicopters shall be permitted except charters and emergencies.
- All government and emergency aircraft may use our airport without charge or reservation.
- All equity members may reserve a slot one year in advance, all social members one month in advance and all others one week in advance.
- No-shows are charged a landing fee if there is a wait list and the weather is not a consideration.
- No commuting is allowed, 30 landings and take-offs in one month is excessive.
- No individual may use the airport for a charter without registering the aircraft as a charter operation before use.

**OCEAN REEF CLUB
AIRPORT AGREEMENT**

FOR GOOD AND VALUABLE CONSIDERATION, including the opportunity to use the Ocean Reef Airport and its facilities, the undersigned, on behalf of himself or herself, his/her guests, and his/her invitees, and his/her respective heirs, personal representatives and assigns, agrees to indemnify and hold harmless Ocean Reef Club, Inc., Ocean Reef Community Association, Inc. and their respective officers, directors, employees, agents, Aviation Committee members and ORC members from any and all claims, suits, actions, damages, judgments, liabilities and expenses (including court costs, expert's fees and attorney's fees through all levels of trial) directly or indirectly relating to or arising from the landing, taking off, taxiing, disembarking and parking of aircraft at the Ocean Reef Club Airport, and any other activity or incident from the use of the Ocean Reef Club Airport.
